# ASFOUR CRYSTAL at glance

Founded in 1961, ASFOUR CRYSTAL has come a long way across decades of working with crystal until it has reached its status today of being the largest manufacturer and exporter of full-cut lead crystals.

More than 50 years of mastering the art of producing crystal masterpieces helped us focus on our vision which is to lead the global market.

Our innovation helps us stay ahead of the curve when it comes to trends, while our quality remains absolutely flawless, each piece crafted beyond perfection at competitive prices that have allowed us to penetrate global markets and to lead them.

*The World's no. 1*

# CRYS-Tile™

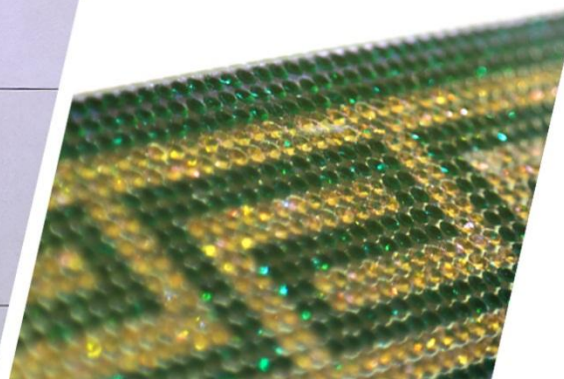

When it comes to tiles that are embedded with our superior quality crystals, we are talking about **CRYS-Tile™** then.

**CRYS-Tile™** satisfies your infinite passion to luxury with its glamorous designs, you can smoothly apply it on walls, floors, furniture and pretty much anything of your interiors could be glamorized with the magic of crystal.

The high quality of our crystals guarantee an eternal sparkle that never fades or lessens with time, for the glass used is extra clear, giving not only an attractive appearance but also guaranteeing a higher light transmittance creating a sparkling lit atmosphere that makes you live in a dream.
